The quarterly Army Lists of January 1946 records Sandars as a Captain (War substantive Major from 20.5.1943 Honorary Lt. Col. O.B.E. T.D.).
He appears in this capacity throughout the Army Lists until the early 1950's when he no longer appears in the lists and presumably retired. His O.B.E. is recorded in the supplement to the London Gazette of 29th March 1945 p. 1705 and is "In recognition of gallant and distinguished service in North West Europe".
His mention in despatches is confirmed by an entry in the supplement to the London Gazette of 22nd March 1945 p. 1550. Various entries record him as John Eric William Graves Sandars, official No. 38222 Royal Armoured Corps (Gainsborough).

∴ *It is announced in last night's Gazette that the King has awarded the Decoration of the Albert Medal to Lieut. (temporary Captain) Charles William Fiske, 5th East Kent Regiment, in recognition of gallantry in saving life. The circumstances are as follows:—On December 14, 1917, while bombing practice was being carried out at Margate under the supervision of Captain Fiske, a man threw a live bomb which failed to clear the parapet, and fell back into the pit. Captain Fiske at once placed himself under cover, expecting that the man would do likewise. On finding, however, that the man had lost his head and was unable to move, Captain Fiske ran back into the pit, seized the man, forced him into a corner, and covered him with his own body. In the subsequent explosion Captain Fiske was wounded in both thighs. Captain Fiske, by his gallant action, undoubtedly saved the man from death or severe injury.*

The death occurred at Tavistock Hospital of Captain Charles William Fiske, M.C., A.M., aged 92, of 27a West Street, Tavistock, where he had lived for the past twenty years.

He was born in Kent, and lived as a young man in Medway towns. He was a keen church worker and did a lot of work for boys' clubs. He was a member of the Chatham Rowing Club and a member of Chatham Book Society since 1905. He was a golfer and tennis player.

LOT

He served with the East Kent Yeomanry before transferring to a line regiment, later being promoted captain. He was awarded the Military Cross and later the Albert Medal for gallantry behind the lines in the Great War.

When a member of a party he was instructing in the use of live grenades dropped one, Captain Fiske grabbed it and threw it to a safe distance, saving the others from serious injury.

Captain Fiske was a master at the Dockyard School, Chatham before transferring in 1925 to Portsmouth Dockyard School as senior master. At Portsmouth he continued his social work and work with the police during the Second World War. He was a great lover of animals and wild birds.

Date of Acts of Bravery: 25 April 1915. On the 25th of April 1915, three companies and the Headquarters of the 1st Battn. Lancashire Fusiliers, in effecting a landing on the Gallipoli Peninsula to the west of Cape Helles, were met by a very deadly fire from hidden machine guns which caused a great number of casualties. The survivors, however, rushed up to and cut the wire entangle-

ments, notwithstanding the terrific fire from the enemy, and after overcoming supreme difficulties, the cliffs were gained and the position maintained. Amongst the very gallant officers and men engaged in this most hazardous undertaking, Capt. Willis, *Sergt. Richards* and Private Keneally have been selected by their comrades as having performed the most signal acts of bravery and devotion to duty."

∴ *Lieut. Rainy Anderson, 26 Co. Royal Engineers, was mortally wounded in action at Zeekogat, Transvaal, July 10th, 1901, and died on the following day. He embarked for South Africa on Oct. 27th, 1899, and saw much service during the campaign. He served in the forces commanded by Lieut.-Gens. Sir J. D. P. French and Sir C. Tucker, and was in the advance on Bloemfontein and Pretoria. At the latter place he had for some time charge of the electric lighting. He was afterwards with Gen. Beatson's column, to which, shortly before his death, he was appointed Intelligence Officer. Lieut. Anderson was present at the capture of Jack Hindon's camp, ten miles north of Middelburg, and had his horse shot under him July 9th, 1901, the day before he received his death wound. On this occasion he is stated to have behaved with great gallantry, and owing to his dash a large capture of arms, ammunition, etc. was made. He rendered good service, "none more gallant than he", and was mentioned in despatches; Gen. Beatson stating he "deeply regretted his loss". Lieut. Anderson is buried in Middelburg Cemetery. A memorial tablet has been erected to his memory in the crypt of St. Paul's Cathedral.*

SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

CATALOGUE SUBSCRIPTIONS

Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of "Prices Realised" are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Realised" will probably be enclosed in a following Sale Catalogue.

AIR MAIL POSTAGE

To allow subscribers resident outside Europe time to submit Postal Bids, Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases a deposit against the cost is required.
